

Background:

Rusty has over 20 years of experience working in the design and construction industry, specifically with concrete-related projects. His knowledge of concrete mix design, materials, and testing combine with his passion for sharing knowledge and education in support of ACI's mission of "Always Advancing".

WILLIAM "RUSTY" OWINGS

EXECUTIVE DIRECTOR OF GREAT LAKES CEMENT PROMOTION COUNCIL • GLCPC

38800 Country Club Drive, Farmington Hills, MI 48331 • rusty.owings@concrete.org
(248) 516-1110 • www.aoteam.com

His Role at AOE:

William R. "Rusty" Owings III, AIA, serves as Resource Center Manager for the American Concrete Institute (ACI). He received his Bachelor of Architecture from the University of Kansas and is a licensed Architect and current member of the American Institute of Architects (AIA).

He is past Chairman of the ACI Concrete Quality Technical Manager Certification Committee C690 and was an active member of ACI Committee 329, Performance Criteria for Ready Mixed Concrete prior to joining the ACI team. He is the past President of the Kansas ACI Chapter in 2015 and was the Chapter's Awards Committee Chairman for nine years.

He is a member of the National Ready Mix Concrete Association's (NRMCA) Research and Specification Committee and is NRMCA Certified Concrete Technologist Level 2,3 & 4.

He is currently the Chairman of the Kansas Ready Mix Concrete Association's (KRMCA) Technical Quality Committee and was the association's Volunteer of the Year in 2009. Rusty is the current Chairman of the Concrete Promotional Group's (CPG) MCIB Committee and has organized and hosted their annual Concrete Technology Course for the past 5 years.

Rusty holds many industry and DOT certifications and is passionate about sharing his knowledge of the most amazing building material in the world – CONCRETE!
